10

Almost every afternoon,
I eat pickles with a spoon.

Every evening, right at 6,
I eat pickles stacked on bricks.

Every morning, right at ten,
I eat pickles with a hen.

Every day, 10 past 1,
I'll eat pickles on a bun.

Every day 10 past 4,
I eat my pickles in a store.

When I jump and shake,
I get a tummy ache!
