

# Sunny

I'm sunny! I think I'm sunny because I always am sunny and happy. I love doing happy stuff like playing and reading. I'm also sunny because I love to do sports like gymnastics or soccer in the sun. One of the reasons I'm happy (sunny) is because I have loving pets, friends and family. I am sunny also because I love to have a playful cat, genius dog, and a squishy belly toad. I hope you enjoy my sunny speech
